

SPRINGWOOD FESTIVAL ROAD CLOSURE MAP - SATURDAY 3 SEPTEMBER

The Springwood Festival will be taking place during the day of the performance and road closures will be in place. The main street of Springwood - Macquarie Road - between Rest Park (near the railway bridge) and the Raymond Road roundabout will be closed to vehicles.

To access Blue Mountains Theatre we suggest you consider using public transport or if driving, arrive early and follow the below advice.

If travelling from the East, you can access theatre parking from the laneway beside the Braemar Gallery on Macquarie Road (east).

If travelling from the west, to avoid congestion entering Springwood on Ferguson Road, exit the Great Western Highway at Falconbridge railway crossing onto Sir Henry's Pde and travel along Macquarie Road (west), into Homedale St and Springwood Avenue onto David Road to access theatre parking (limited underground parking is available).

The theatre carpark has limited parking and some street parking in the surrounding area may be available but will also be limited due to the crowds.

Please be aware it will be extremely busy in the surrounding streets with pedestrian activity and vehicles.
